Access the Global Navigation Tool

The Global Navigation tool consists of a set of links within the User menu and My Blackboard menu. These menus give you a personalized view of your learning environment.

This quick start guide will cover how to access the global navigation tool.

Step 1
On the Blackboard landing page, click on the arrow next to your name at the top-right of the screen.

The My Blackboard Menu is located on the left (in red).

The User Menu is located on the right (in blue).
