1. Purpose

This policy establishes the responsibility of Tidewater Community College (TCC) employees and others who work at the college to report instances of suspected child abuse or neglect in support of TCC’s responsibility to provide a safe environment for children and to comply with relevant state law and the policy of the Virginia Community College System.

2. Policy

All TCC [employees](#), as well as the employees of other agencies and contracted services personnel who are assigned to work at the college, who in their official or professional capacity, have reason to suspect that a child is an [abused or neglected child](#), are required to report the matter as soon as possible, but not longer than 24 hours after having reason to suspect a reportable offense of child abuse or neglect.

This requirement is established in the [Code of Virginia § 63.2-1509](#) and [VCCS Policy 3.14.7](#).

3. Responsibilities

The Executive Vice President shall be responsible for maintaining the currency of this policy and for ensuring its compliance with relevant laws and policies of the Commonwealth of Virginia and the Virginia Community College System.

4. Procedures

Nothing in these procedures is intended to suggest that reports of violence or the threat of violence should not be reported immediately to appropriate authorities. Any act of violence or immediate threat of violence must be reported immediately by calling 911 and then contacting TCC Security – when in doubt, call 911 and the call taker will evaluate the situation to determine an appropriate response.

4.1. Reporting Suspected Child Abuse or Neglect

Any employee¹ who, in his/her official or professional capacity, has knowledge or suspects that a child is an abused or neglected child must report the matter within 24 hours of becoming aware of the circumstances. The individual making such a report shall make available any information, records, or reports that document the basis for a report of child abuse or neglect. 4.2.1. Personnel Sanctions

A TCC employee who fails to file or forward a report as required in this policy will be subject to disciplinary action as delineated in Virginia Department of Human Resource Management [Policy 1.60 \(Standards of Conduct\)](#) or [VCCS Policy 3.12 \(Faculty Sanctions\)](#), as appropriate. The sanction imposed will be commensurate with the severity and/or frequency of the offense and may include termination or separation. An employee of another agency or a contractor who fails to file or forward a report as required in this policy will be reported to his/her employer for appropriate disciplinary action. The college reserves the prerogative to advise the other agency or contractor that the employee may no longer work on TCC property.

4.2.2. Legal Penalties

The [Code of Virginia § 63.2-1509](#) stipulates that any person who fails to file a report as soon as possible, but not longer than 24 hours after having reason to suspect a reportable offense of child abuse or neglect, may be fined not more than \$500 for the first failure and, not less than \$1,000 for any subsequent failures. In cases involving certain crimes of sexual assault, a person who knowingly and intentionally fails to file a report may be guilty of a Class 1 misdemeanor.

4.3. False Reporting

Knowingly making a false report of child abuse or neglect is a violation of this policy and of law. A TCC employee who makes or causes to be made such a false report will be subject to appropriate sanctions under the Standards of Conduct Policy or the Faculty Sanctions Policy and may be guilty of a Class 1 misdemeanor. An employee of another agency or of a contractor who knowingly files a false report will be reported to his/her employer for appropriate disciplinary action.
