ARMY ROTC SCHOLARSHIPS
ROTC Scholarships are awarded based on a student’s merits and grades, not financial needs. Two, three, and four-year scholarship options are available based on the time remaining to complete your degree. Army ROTC scholarships provide monthly living allowances for each school year. This allowance is also available to all non-scholarship cadets enrolled in the Army ROTC Advanced Course (3rd and 4th years).

NAVY/MARINE CORPS ROTC SCHOLARSHIPS
The Navy offers two great scholarship programs for high school graduates or college freshmen with less than 30 credit hours: the Four-Year National Scholarship and the Historically Black College and University Scholarship (HBCU). Both of these scholarships cover four years of tuition and fees, a stipend for textbooks, and an academic monthly living allowance.
